This is BuiltByKeith = SaviorKeith's missions of Mercy and Grace to all of mankind since birth on Assumption Feast Day Aug 15, 1958. Oct 3 and 30, 2015 were the NEXT historical events.

The solution to redistribute all criminal wealth to build new commUNITY districts uses one simple technology database to allow citizens to electronically vote for leadership, control their exclusive pay, direct their actions, and remove them for any cause by majority vote. Unrepentant criminals are shunned using face recognition URLiDent.com and their one International ID # to kill the 666 Mark of the Beast.

Keith offers his Prime www.BidOnKeith.com services to all governments, Military, United Nations, Interpol, Congress, all company, Organizations, Churches, + Public as the #1 Sovereign Ambassador Emissary of all time. He represents all of mankind before an extremely wrathful and angry Father-Creator-Consciousness of Man. ROSE is put on Death Row by USA Government, Interpol, and churches.

The four BASIC "BY-PASS" LAWS that change all legal and financial systems around the world are simple, straightforward, and apply to all governments, corporations, organizations, and even church denominations as this is the first self-regulating mechanism to maintain PEACE, LAW, + ORDER **by will of the People.**

1. Citizens have right to electronically VOTE on their leaders and important matters. They direct their consultant leaders to represent the will of the majority. Voting history is electronically retained by URLident.com so that no voting fraud can possibly occur.

2. Citizens of each district decide the leaders' income. Leaders must disclose all monthly expenses like any publicly held business. Bonuses are given by majority citizen vote when leaders perform with outstanding results. Citizens vote to raise, same, or lower pay.

3. Citizens electronically register what projects are to be funded with their taxes.

4. If ethics are violated or if leaders use personal funds or any other resources that prove they are profiteering, **citizens remove them by majority vote** for successive runner-ups to resume that term. Politics are completely eliminated forever + humanity lives.

These systematic processes eliminate electoral voting, maintains the election cycles without ANY run-offs, and lines up a series of elected officials for each office if the primary winner fails to represent their district. These laws truly change all legal and financial systems world-wide by removing criminal profiteering and restoring ethics that are almost void in the current middle to high level leadership positions. The transition from ballot voting to full electronic voting by any eDevice is simple. Photos are taken of voter at poll or at actually electronic casting of votes to prevent duplication. All votes can be electronically shown to the world and confirmed by each individual by public or private read-only access.

These simple voting methods applies to all organizations, churches, and Corporation By-Laws to put ProfitShareHolders.com into action to enable all employees and shareholders to control company expenses, who are their executives and management, and manage their own dividends and profitability. Simply ask www.BidOnKeith.com CreatorKeith.com to explain. It is so easy to contact and find Keith at Philippines +(63)0917-335-4300 as the USA Military, FBI, United Nations, and wealthy benefactors come find Keith to protect the immense Intellectual Property rights and extreme knowledge in Keith's mind and published so frequently on this multiple broadcast websites as well as hard-copy publications.

SUMMARY: Treat Leaders as PAID CONSULTANTS with full ACCOUNTABILITY using technology to command their representation. This is the #1 SOLUTION of all time. There will never be any excuse for any lawmaker, government, or nation to NOT enact this local law + Constitutional Amendment and simple 'BY-PASS LAWS' as the Associated Press, USGOV, and public are now actively re-broadcasting this #1 ISSUE and detailing the resulting Quad Trillion USD/EURO/PESO/etc \$\$\$benefit to all of mankind.

In simplistic terms, consider the Miss America pageant. If the popular vote winner is suspected of ethics violations, the runner-ups sequentially assume the top place. Everyone watches for ethics violations. Hundreds of people will apply for each Congressperson, Mayor, Council, Judge, Police Chief, Board of Education, and other elected positions around the world. Each person is prevented from profiteering and criminal activity by both the voter/citizens and their opponents. This preserves the election process and BY-PASSES most of the election laws and campaign funding strategies used by Political Action Committees and ruthless Executives to put 'straw men' in place to obtain favorite funding and treatment.

The USA Government, Churches, all Law Enforcement, Press, and the Public have always been 100% engaged in the true tragedy and end-result of God's nature of Keith's world-wide mission work that perfects all legal, financial, cultural, and spiritual systems. I now continue internationally during Easter 2015 to JerUSAlem, the Vatican, Asia, and Europe with BidOnKeith.com to complete predictions as the #1 Sovereign Ambassador + Emissary for all Nations, Churches, Governments, Military, Corporations, and the Public with full protection of the USA Government as they sponsor my final humanitarian missions that truly are required to www.SaveAllNations.com with IseeIunderStand.com and IseeJustice.com per systematic use of GOD's word, common sense, + technology. These are the only solutions that prevent mankind's self-genocide that is occurring right now. Simply contact Keith for the interview of your lifetime. Call the USA Military immediately so Keith can finally debrief them on who are the criminals in Atlanta GA, Norfolk VA, and Washington D.C. This is critical to international security threat extreme cyber crimes conducted by #1 Terrorist WhereIsRobertRose.com against the USA Gov.

To the best of my extreme integrity and forensic research ability of over ten thousand man-hours at my own extreme expense and peril, this is the completed historical Constitutional, Financial, Legal, and

cultural works detailing the STEP-BY-STEP methodology to CHANGE our world. Most of these #1 common sense masterpieces were destroyed by specific CRIMINALS from Oct 3, 2011 to present to prevent Keith's gifting of ACTS of WISDOM to our world. Keith Duncan presents HIS world changing solutions under protection of US Patent Trade Office USPTO.gov copyright, International Laws, and UNIVERSAL LAWS with NO excuses using simple, clear, and rational explanations. FDR quote: "They who seek to establish systems of government based on the regimentation of all human beings by a handful of individual rulers... call this a New Order. It is not new and it is not order." This one solution enables all citizens to manage and control all of their governments and corporations from now to the end of eternity.

DEMAND ACTION by EVERYONE. This NEXT Constitutional Amendment #28 and local by-laws PREVENTS Politicians, Judges, Lawyers, Corporate Executives, and any elected, appointed, and promoted officials or leaders from personally PROFITING. This is the missing CHECKS and BALANCEs = **SolutionFinal.com** intended by all of our ForeFounders. This rescinds most of the election laws and prevents corruption in the first place. These By-Pass laws apply to every level of Government + Corporate entities to destroy criminal enterprises.

When these three By-Pass laws are passed with a 'Super Majority Point of Order against over-ride of these prime directives for a period of five years', all corruption and political criminal enterprises are systematically exterminated by the 'Will of the People'.

1. **Each district of voter/taxpayers/shareholders determine by common vote the pay for the elected official, judge, legal authority/corporate officer for the term to be paid out pro-rated per month when duties are adequately performed. This removes and repeals most Amendments and Federal election laws designed to empower only the existing "Ruling Elite" classes of Officials/Politicians/Leaders and associated criminals who derive their power from special interest groups, political action committees, campaign lobbyists, self-serving and self-entitling organizations as well as hidden individuals who run criminal enterprises who extort and manipulate our own legal/judicial systems. This also prevents the CORPORATE MONOPOLY scandals run by executives and underworld and underground terrorist criminals. CORRUPT LEADERS and CRIMINALS WILL HATE THIS AMENDMENT and local by-pass laws for these 'revised commandments' put them out of business forever using: **StNicksList.com** which is full visibility and accountability for their actions and behaviors by their constituents.**
2. **No politician, leader, or officer can raise funds or spend any money or assets to run for an elected or**

appointed office. Violation of this rule results in immediate disqualification for five years. This removes the ability for anyone to outspend their opponents with smear campaigns that are so revolting to the public. Everyone stands on their own merit and reputation. There is NO limit to the number of persons who may run for any office or elected position. This removes political party affiliation greed and power by restoring the common vote of each person to elect their choice. No more 'block' or district majority voting. All voting is done by popular voting by majority.

- 3. All candidates may originally reside in any other district. Once elected, they must reside 50% of their time in their represented district while serving their people. They must be within 100 feet of their constituents for four days of every calendar month when not in remote session to listen and respond to the needs of their voters. Use www.SolutionFinal.com to solve most issues/conflicts/problems.**
- 4. Any elected official caught or suspected of taking profit for personal or other reasons is rejected out of office by a 51% majority vote and the next runner up takes the pro-rated term with compensating pay. There is never a need for a recall or re-vote unless no runner-up remains available.**
- 5. When running for any office, the candidate may NOT read from a speech or prompter. All interactions with audience on any media must be from the heart so the person is held 100% accountable for his or her ethics, honor, and accountability. All officials are then held personally responsible for their promises and actions. No candidate or supporters may pay for ads of any type. This removes the ability to outspend a competitor. At their expense, the media may cover any news event in any form.**
- 6. When sponsoring and voting on any bill, the voter/taxpayers reserve the option to electronically send their vote to their representative to enforce the decisions of the 'WILL of the PEOPLE' using any computer or smart phone recording their votes by their unique Social Security number, cell phone #/electronic device serial number as their tracking identifier. All voting age people are provided a smart phone or access to a voting device if they have no existing telecommunications access. This ties into StNicksList.com that is Read-only normalized Referential Integrity database of who is trusted by other and who is NOT in the international INTERPOL database or has others who testify to their criminal activities and untrustworthiness. SolutionBankFraud.com is used to generate a unique one time identifier at time of each voting and legal transaction to confirm unique identity and entity status.**
- 7. All elected leaders who violate other terms of this amendment will be required to return 100% of the pay they received when the current taxpayer/voters confirm by a 66% majority vote that the elected official is or was guilty of ethics violations or failure to perform his or her directed duties and obligations. This removes anyone's ability to receive post term benefits from criminal enterprises and political affiliates.**
- 8. While in office, no personal funds, outside funds or resources may be used for travel or living expenses related to the fulfillment of leaders' elected duties. The district voters and taxpayers retain the voting option to raise or lower the pro-rated salary to support their lawmaker and officials based on performance of their contracted person. Each official must publish monthly all of his or her expenses**

and income to show they are conducting ethical representation of their constituents.

9. **At the first implementation of this USA Constitutional Amendment #28, local law, and regional law, no existing Official may be re-elected to the previous exact position. For first implementation, no one with a law degree may run for any position NOT REQUIRING a law degree. These two stipulations remove pre-existing power and ethics situations with a clean slate of new politicians of uncorrupted younger and responsible citizens who actually represent all people in their district.**
10. **Any candidate may run for a maximum of a total of two positions located in any district during each election cycle and may accept only one position if elected by simple majority to both positions.**
11. **Amendments to this Constitutional Amendment or district law may only be voted on by the taxpayer/voters after a one-year review of an amended proposal. This prevents lawmakers from changing this law for their own profit and future accumulation of assets. These solutions fulfill everyone's responsibility to benefit all of humanity.**

RESULT: www.SolutionFinal.com , NEWZION2.com , and StNicksList.com

This Constitutional Amendment and law is 100% financially, legally, and culturally neutral. It makes perfect common and economic sense to prevent lawmakers from becoming lawbreakers who work with organized crime or their peers in corporations and underground criminal enterprises to profit themselves. These laws prevent predatory greed at all levels and put the control of lawmaking back into the hands of voters and taxpayers for the mutual benefit of all families and communities.
